

The image features a solid blue background. Overlaid on it is a repeating pattern of white, rounded rectangular shapes. These shapes are arranged in a staggered, non-overlapping grid. Each individual shape has a thin white border and a slightly darker blue fill. The overall effect is a clean, modern, and abstract graphic design.

The screenshot shows the Figma application interface for a project titled "WaveApp". The top navigation bar includes icons for file operations, a home button, and a search bar. The left sidebar contains a "Pages" section with categories like "Refs & Basics", "Components", and "Sprints", followed by a list of various UI components and pages such as "Desktop | Reproductor", "Component 23", and "PROFILE IMAGE". The main workspace displays a grid of wireframes and moodboards. At the top, there are three moodboards: "Moodboard | Type", "Moodboard | Col...", and "Moodboard | Structure". Below these are several rows of wireframes for different screens: "Desktop | Log...", "Desktop | Sign...", "Desktop | Ac...", "Desktop | Ap...", "Desktop | Sid...", "Desktop | 404", "Desktop | User", "Desktop | Pla...", "Desktop | Pla...", "Desktop | Pla...", "Desktop | Up...", and "Desktop | Pla...". The right sidebar features sections for "Design", "Prototype", and "Inspect", with specific settings for "Background" (color E5E5E5, 100% opacity), "Color Styles" (Primary color, Secondary color, Positive | 20% dark, Light color, Negative | 20% white, Dark gray, Blur background color, Light successful, Dark successful, Light danger, Dark danger), "Effect Styles" (Background blur), "Grid Styles" (Columns | Desktop, Columns | Mobile), and "Export". A bottom right corner contains a question mark icon.

How to spell Trip-Hop

funk soul rocknroll

Glory Box Portishead Dummy 3:45 ...

Give it away Red Hot Chili Peppers

3:40 4:25

The screenshot shows a Figma design interface for a desktop application named 'WaveApp'. The main canvas displays a 'Playlist' screen with a large title 'How to spell Trip-Hop' and three genre tags: 'funk', 'soul', and 'rocknroll'. Below the title is a table of song tracks, all titled 'Glory Box' by Portishead and from the 'Dummy' album, each lasting 3:45. At the bottom, a player bar shows a track by Red Hot Chili Peppers titled 'Give it away'. The right side of the screen features the Figma sidebar with various design tools and a color palette. The sidebar includes sections for 'Design', 'Prototype', and 'Inspect', with specific settings like 'Background' (color E5E5E5, 100% opacity) and 'Color Styles' (Primary color, Secondary color, etc.). The 'Grid Styles' section shows 'Columns | Desktop' and 'Columns | Mobile'. The 'Export' section has a '+' button. A question mark icon is located at the bottom right of the sidebar.

The image displays a composite screenshot of a design tool interface, likely Figma, showing various components and settings for a mobile application.

Top Left Window: A large window titled "WELCOME TO WAVE APP, JEST" featuring a blue background. It includes sections for "PLAYLISTS" and "ARTISTS", each with two placeholder cards. At the bottom, there's a media player bar showing "Red Hot Chili Peppers" and playback controls.

Top Right Window: A "WaveApp" window showing the "Drafts / WaveApp" navigation bar. The main content area displays a "WAVEAPP" logo and the word "CONNECT".

Bottom Left Window: A "UserHome" window showing a sidebar with navigation items like "Albums", "My playlists", "Desktop | Reproductor", etc., and a main content area with "My playlists" (4 cards), "Albums" (4 cards), and sections for "Top uploaded" and "Liked songs".

Bottom Right Window: An "Account details" window showing form fields for "USERNAME" (Ernest), "GENDER" (Select), "FIRST NAME" (FirstName), "LAST NAME" (LastName), and "EMAIL" (ernest@assembler.com).

Central Sidebar: A sidebar on the right side of the interface containing the following sections:

- Background:** E5E5E5, 100%
- Color Styles:** Primary color, Secondary color, Positive | 20% dark, Light color, Negative | 20% white, Dark gray, Blur background color, Light successful, Dark successful, Light danger, Dark danger.
- Effect Styles:** Background blur.
- Grid Styles:** Columns | Desktop, Columns | Mobile.
- Export:**

Bottom Sidebar: A sidebar on the bottom right containing sections for "Popular genres" (Genre buttons), "Following users" (1,250 users), "User followers" (950 users), and "Effect Styles" (Background blur). It also lists "Grid Styles" (Columns | Desktop, Columns | Mobile) and an "Export" button.
